Vessel Systems Worksheet

Buyer and broker working copy | Case 21

CANDIDATE yacht world	VESSEL Leopard 58	MODEL YEAR / PLATFORM 2019 / POWER_CAT
ORIGINAL LAUNCH DATE 15-OCT-2022	CURRENT BOAT HOURS _____	

How to complete: Fill in the launch date and current boat hours if blank. For each system, enter the most recent installation or refurbishment date and the boat-hour reading at that time, when known. Enter expected life in hours, years, or both. Enter one estimated replacement or refurbishment cost. Leave unknown entries blank. Do not calculate remaining life; NAVOPLAN will calculate it from the entered information. Use Notes for assumptions or details about the estimate.

System life and future cost planning

SYSTEM	LAST INSTALLED / REFURBISHED DATE	BOAT HOURS AT INSTALLATION / REFURBISHMENT	EXPECTED LIFE (HOURS)	EXPECTED LIFE (YEARS)	REPLACEMENT / REFURBISHMENT COST	NOTES
Hull and primary structure						
Deck and superstructure						
Catamaran cross-structure
